I traded in more than one device. How are my credits applied?

Trade-in · https://mediacomsupport.reachmobile.com/doc/i-traded-in-more-than-one-device-how-are-my-credits-applied/

Each trade-in is valued separately and gets its own credit schedule. If you traded in two devices, you’ll see two separate trade-in credit lines on your bill, and each may run for a different number of billing cycles depending on its final value.
